

Photo production Paris - Achat d Art US

achatd'art

Achat d'Art agency, whose headquarters are in the 16th arrondissement in Paris, is specialised in photo production. It relies on a large and serious photographic culture and a strong experience in the profession. Achat d'Art uses this know-how in each photo production done on different themes such as fashion, lingerie, beauty, perfumes, accessories, consumer goods, cars, telecom... These photo productions can be produced in every style (instudio or outside, still life...) and for different uses (advertising, mail shots, catalogues, editorial...
